WELCOME TO OUR GREAT LITTLE CITY

Nestled in the heart of Cornwall, you will find Our Great Little City. Whether you're a local, a day-tripper, or a holidaymaker, there is something for you.

Truro is the place that Cornwall comes for culture, couture and cuisine, with something for everyone to enjoy. Those in need of a little retail therapy can explore the shops that line our cobbled streets, from high street brands to independent retailers. Shoppers will find a mix of cafes and coffee shops along the way where they can relax and recharge. Our two indoor markets are also favourite fixtures of the city, and the award-winning farmers market pitches up on Lemon Quay twice-weekly. With specialty markets throughout the year, Truro is a haven for market-goers. The city holds a wealth of history and no visit is complete without a trip to Truro Cathedral. Discover more at the Royal Cornwall Museum, or join a walking tour to hear the secrets of the city. Don't forget to explore our outdoors spaces, too. Use our Wild Truro guide to start your adventure, which you can pick up for free from the Visitor Information Centre. However you choose to spend your time in Truro, we hope you enjoy your visit!
